Refill packs: $25–$50 per 10–15 extra cards. You pay for materials only.

Packages

Bundled, so you save 10–20% compared with ordering each service separately. Each card still opens one destination; a package means several cards set up together.

Starter	Website / menu link + social links page · 20–25 cards in total · basic branding and design · setup and testing	**$150–$200**
Growth	Website + social links + reviews + app · 40+ cards split across those uses · your branding on the cards · setup, testing and documentation	**$250–$350**
Premium	Every single service · 50+ cards split across all uses · premium card design and printing · NFC analytics dashboard for 3 months · 3 months of support and updates	**$400–$550**

Website + NFC

Pair NFC with a website build for a complete digital presence.

Café / restaurant	Website ($400–$600) + NFC menu cards ($100–$150). Customers tap at the table or the door and the menu opens.	**$500–$750**
Small business, complete	Website ($400–$600) + multi-service NFC bundle ($250–$350). Site, social links, reviews and contact in one ecosystem.	**$650–$950**
Enterprise suite	Custom website ($1,000+) + premium NFC ($400–$550) + monthly support ($75/mo). High-end branding, analytics, ongoing help.	**From $1,500**
